

Privacy Policy

Welcome to use our products and services! We are fully aware of the importance of personal information to you. Your trust is very important to us. We will provide full protection for the security of your personal information in accordance with laws and regulations and in accordance with industry best practices. To this end, we have formulated this Privacy Policy (hereinafter referred to as "this Policy") so that you can fully understand how we collect, use, share, store and protect your personal information and how you can manage your personal information when you use our products and services.

Before you start using our products and services, please be sure to read and understand this policy carefully and make sure you fully understand and agree to it before you start using it. We will try to explain the professional terms involved in this policy in a concise and popular way to facilitate your understanding.

This policy mainly explains to you:

【How we collect and use your personal information】

In order to provide you with services, we will mainly process your personal information based on the following functions:

- Account registration: When you visit our website, you need to bind your mobile phone number or fill in your email address.
- Intelligent generation: You voluntarily provide us with your personal information and generate intelligent information and data results.
- Email notification: We may send you emails to inform you of information or notifications related to the platform.
- Customer service and Dispute resolution: We will use your personal information to provide you with customer service and dispute resolution.

【How do you manage your information】

You may manage your personal information in a variety of ways , such as querying, copying, updating, and supplementing your personal information. If you encounter problems in managing your personal information, you can also contact us through the contact information we published in platform, and we will respond to your request within 15 days. However, please understand that we may not be able to fully meet your request due to the fulfillment of legal obligations or the necessity of our service provision.

【Protection of Personal Information of Minors】

We have always attached great importance to and are committed to protecting the personal information of minors. If you are a minor, we recommend that you read this policy with your

parents or other guardians, and use our services under the guidance of your parents or other guardians after obtaining their consent to ensure your safety when using our services and conducting transactions.

【Scope of application of this policy】

Please pay special attention to the following: This policy applies to all products and services we provide to you through websites or clients software, applets, and new forms that emerge with technological development. If we do not have an independent privacy policy for other products or services other than the website, this policy also applies to those products or services. If we have a separate privacy policy for the products or services we provide to you, the corresponding privacy policy will apply to the corresponding products or services.

Except for the relevant information collection and use activities described in this policy, this policy does not apply to other services provided to you by other third parties. Other services are subject to the personal information collection and use rules separately explained to you by the third party.

【Contact us】

If you have any questions, comments or suggestions about this Policy, or if you encounter any problems in managing your personal information, you can contact us through the various feedback channels we provide:

1. For inquiries or complaints regarding your personal information, you can contact us through our website interface.
2. If you have any questions, comments, suggestions, or complaints about the contents of this policy, please contact: claim@xintong.tech.

Notes: Above all compliance with Chinese version and follow Chinese version.
